We wanted to take this opportunity to say Thank You for your extreme generosity to the students of Edna Hinman ES. The donations of: shoes, socks, underclothing, sweat pants, school supplies and sports equipment is unbelievable! As you know, the student population at Hinman ES is at-risk, not only educationally but in their daily lives. The items donated can help them to stay clothed and maintain their dignity in their public interactions. It also assists the school to maintain emergency clothing and shoe supplies so that they can remain in school, learning, when accidents happen.

As for the sport equipment, maintenance is half the battle. Items disappear or go missing and the budget is limited. Your assistance will help us to keep our students active, learning and enjoying sports since they are not as likely as others to be involved in sports beyond the school day.

Hinman ES wanted you to be aware how much your kindness is appreciated and valued.

Sincerely,

Sharlette Redick
Principal
