The ZipRite Shade is Polar Shades' signature exterior shade system, providing a complete seal between the fabric and side tracks, blocking out everything from sun, wind and rain to insects and errant golf balls. This shade keeps pets safely inside and transforms your outdoor patio into a year-round oasis.

- ◆ Covers widths up to 24' and heights up to 14'.
- ◆ Optional valances to conceal the roller include our 4.5" Elite and 5.5" Titan Cassettes for ultimate protection or our Patriot Hood for a sleek, minimalist look.
- ◆ Includes all the standard features of our exterior shade line, with the added benefit of a revolutionary locking track, which mitigates shade movement in windy conditions.
- ◆ Available with integrated windows for unobstructed views to the outside.
- ◆ Perfect for protecting patio openings and windows.

POLAR SHADES[®]
sun control

Polar Shades offers a full array of beautiful, energy-efficient fabrics for exterior applications. A few of our recommended fabrics for our ZipRite Shade are: PolarTech View, Phifer Suntex 95/TuffScreen/SW4800, Ferrari Soltis 86/92/92BN/502/B701, Sunbrella and Mermet Natte.

Features and Specifications - Our motorized, wireless remote options provide control of your shades from the comfort of your family room sofa or your patio chaise lounge. The zipper channel provides a weathertight connection between your shade and the track. The rubber gasket on our hem bar ensures shades used on patio openings are protected from insects and rain.

Offering four mounting styles:

Surface Mount

Inside Mount

Soffit Mount

Recessed Mount

Exterior View with Window Option

Interior View with Window Option

Revolutionary zipper channel design

Wireless remote control options for motorized shades

Rubber gasket for a weatherproof seal

Superior aluminum hardware with powder coated finish

Protection for your patio for year-round enjoyment

Weather - Our shades provide protection from sun, rain and wind so your patio can provide year-round enjoyment.

Insects - Our state-of-the-art fabrics keep the bugs out without compromising your view.

Shade - Relax on your patio even when outside temperatures are 100+. Our vast array of fabrics turn a hot day into an enjoyable day.
