Polar Shades' Retractable Interior Shades are available in manual or motorized options. Our interior shades can be mounted on virtually every window around your home or office to address sun glare, damaging UV rays, privacy and more. Our extensive line of shade solutions offers multiple benefits including comfortable climate control of your living space and protection from sun damage for your furniture and rugs, all while preserving your view.

- ▶ Spanning widths up to 24' with a single panel or widths up to 40' with coupled shade systems.
- ▶ Optional valance treatments to conceal the roller tube include our standard L fascia, square cassette, curved cassette with fabric insert, fabric valance, and head pockets with closure plates.
- ▶ Designer fabric selection for any architectural or performance requirement including a wide variety of textures, colors and opacities ranging from 0% to 100%.

Upgrade your indoor living space with Retractable Interior Shades from Polar Shades. We offer the best solutions in the industry for protecting your windows and valuables and providing UV protection without compromising your view!

Interior Duo Shade

Enjoy the best of both worlds with our Interior Duo Shades, providing black-out privacy and sun control all in one window covering! Duo Shades are available for windows up to 16' wide with a single panel or widths up to 32' with a coupled shade system. Both manual and motorized options are available in different duo style configurations. (coupling options available)

bond Bridge

Convenient and effortless **app control** maximizes the features that your Somfy powered Polar Shades provide.

Schedule scenes to **automate** motorized shades on a **7-day schedule** so you can spend your time doing what you enjoy most.

Increase efficiency and save on energy costs in the summer and winter.

Wireless remote control options for motorized shades.

Protects you and your furnishings from the sun's damaging UV rays while protecting your privacy, too.

Superior materials with powder coated finish.

Whether your windows are big or small, Polar Shades has the solution for you. Choose the most reliable shades in the industry and never worry about your window treatments again.
